Sports Day

Even after a rainy start, sports day went ahead a bit different to usual. In the morning, each team went to the hall on at a time. After eating lunch in our own classrooms, we all assembled outside for the races. KS1 competed in egg and spoon races but KS2 tuck part in beanbag relays. After, the relay races began. To finish we had a parents race as well as a toddlers race. We went back into the hall to find out who won. This year, Purple team won with black coming runner up.
