Reception

Miss Fenton, Mrs Beck and Ms Plunkett

What a brilliant team we have in Reception! All our youngest children settled into our school really well and have made terrific progress during this year because they are so well cared for by their teachers. You should be extremely proud of what you have achieved this year - because we are!

Year 1

Mr Blackwood & Mrs Chorlton and all our grown up helpers are in the Golden Book this week because they have done such a wonderful job all year! Not only have they made sure that all children have done incredibly well in every area of the curriculum this year, but their special focus on writing has made sure that we have achieved our best ever results in the phonics test – wonderful! They really are looking up and aiming high!

Year 2

Mrs Stathearn, Mrs Alderson and Mrs Cole

Wow! What a team you are! You have made sure that all the children in Year 2 have done incredibly well, and have really worked hard to teach everything that is needed in the new curriculum. We love the way you work together and know that all our children have done well in their learning because they have such high quality lessons. We couldn't ask for more!

Year 3

Mr Riley, Mrs Dawber & Mrs Harmer

All our children in Year 3 have grown in confidence and independence this year and have made good progress because of the staff who care for them. We know that they will really benefit from the great start they have had in KS2. We are delighted that famous people have written to our pupils and know how well we achieve here – thank you for looking up and aiming high!

Year 4

Mrs Greenwood, Miss Sutcliffe & Mrs Pollard

What a dream team! All the staff in Year 4 have worked tirelessly to make sure all children succeed. Not only have they organised the ‘best trip ever’ to the Chocolate Story, but they have also developed the leaders of tomorrow through their work with the Archbishop’s Youth Trust. They have really looked up and aimed high this year!

Year 5

Mrs Edwards, Mr Dunnill, & Mrs Asquith

What can we say about this fabulous team? Year 5 have pursued excellence all year. Not only have the children excelled in their learning, but they have all developed into really mature, sensible and rounded young people – which is just the right way to be! We think that all the adults in Year 5 are fabulous.

Year 6

Mrs Law, Mrs Tate, Mrs Gatenby & Ms Fletcher

Not only have these adults braved the Piranha Pool, but they have had to deal with lots of other scary changes to tests and assessment as well this year! They have met all these challenges brilliantly and made sure that the children at Monk Fryston School continue to thrive. We have had great results again, and children have had a huge range of experiences along the way. We are delighted that their last year in our school has been made so memorable – thank you!

Office Staff

Mrs Kelly & Mrs McLachlan

What a fantastic team we have in our office! Not only do they dispense endless ice packs and plasters, but they answer every question quickly, efficiently and politely. They always look up and aim high, and make sure that everything in our school works well. We couldn't be what we are without you – thank you!

Cleaning Staff

We have the cleanest and best looked after school in the area because the cleaning team work so hard. We are all so grateful for the effort you put in to making our school an outstanding environment. What a privilege it is to know that every job is going to be done quickly and efficiently, and we know that you care so much about making sure our school is the best it can be. You must be the best site team in the world!

Kitchen staff

Our cooks always make wonderful meals for us, to make sure that our children eat healthily. They work so hard all the time and our lunchtimes are always wonderful. Thank you for looking after us so well.

Mid-day Supervisors

What a team our MSAs are! They work tirelessly to make sure that all our children eat healthily, get on well together and have fantastic lunchtimes every day. These are really important for our children and we couldn't be what we are without you – thank you!

Governors

Our governors give up so much of their own time to make sure our school remains outstanding, and we are really grateful. From appointing new teachers to setting improvement targets and measuring results, we appreciate every moment you give to our school. All the late nights, extra reading and visits to school are really worth it – thank you for always looking up and aiming high!

PTA

What outstanding and helpful parents we have! Our PTA give up lots of their time to organise fun events for our community and to raise lots of money for the 'extra' things we have in school. We really like our new screens! Thank you for everything that you do for us – we think you are amazing!

All our parent helpers

Lots of parents give up time to help our school. Some come in every week to read, others help with special lessons, and lots make sure our children are safe and cared for on trips. We do so many extra things because you give up your time to help us, and we really do appreciate it – thank you!
