South Milford Bonfire & Spectacular Fireworks Display – 10 November 2018

We do hope you are aware of this spectacular local event which has grown to become one of the largest firework displays in the north of England, and now attracts 5000 people through the gate! Would you like to help us make 2018 our most successful year yet?

You may not be aware that the event is run by volunteers, who are all members of the local community, and all the money we raise from the event goes back into the local community through the groups involved in running it. Groups who benefited last year, when over £30,000 was distributed, include Monk Fryston School and Monk Fryston Community Association, as well as South Milford Community Primary School, South Milford Football and Cricket Clubs, South Milford Church, the Playing Fields Association, South Milford Brownies and Guides, Sherburn Scouts and Sherburn High School.

Without the reassurance of pre-event sponsorship it would not be possible to run the event, and this is the area where we hope you will be able to help? As you will appreciate, there are huge costs involved in setting the event up – ticket printing, food and fireworks have all to be paid for even if the event has to be cancelled - which is why we should be so grateful for any support you are able to give us. In return for your support, we print an advert for your business in our sponsorship booklet which acts as the ticket for the event; in addition, adverts are reproduced on our website. Complimentary tickets are also forwarded to sponsors ahead of the event, the number of tickets dependent upon the level of sponsorship (see the numbers in brackets on the attached invoice).

If you would like to advertise, we need you to send us your advert electronically, ideally in J-Peg format. You may send your ads to me, along with the completed invoice, to the email address given below, or you may send your ads directly to Matthew Thomas at the email address given on the attached invoice. Your complimentary tickets will follow our receipt of your completed invoice and payment.

We do hope you will be able to join us for the bonfire on 10 November, and that you look forward to enjoying one of the North's best fireworks displays! In the event of cancellation on the night, the bonfire will be held the following day. Any decision on this will be made by 8am on the morning of the event. In the unlikely event the bonfire does not take place, as tickets have already been printed and purchased, no sponsorship can be refunded, but you would be allocated extra tickets next year.

Yours Sincerely

Rick Weights
