We love to cater for everyone, whether you're 9 weeks old or 90, we hopefully have something for you to enjoy. We have a pretty, relaxed restaurant perfect for afternoon tea, a cosy cafe, ideal for a coffee & a chat, a large quirky function space ideal for a fabulous gathering, outside seating with parasols, perfect to sit with the dog and read the paper, as well as "The Pip Stop", our lovely & very popular children's cafe/play room, perfect for little ones to play while mums/dads/grandparents grab 5 minutes peace only feet away.

# About us...

**"The Pip Stop"** An impressive & large room with cafe style seating at one end and a fantastic selection of pre-school toys for the children at the other, meaning the children are playing only feet away and remain safe and visible. This is a free facility and is available to hire for children's parties.

**Private Parties / Function Space** We have a wonderful & quirky large function space, incorporating 2 rooms, ideal to use one for seating and the other for dance floor/ buffet etc, as well as large floor to ceiling glass doors which open out onto the beautiful private gardens.

**On Business** Join a colleague for a breakfast briefing, or bring clients here for a lunch meeting. Large parties can have exclusive use of the orangery if required and food can be pre-ordered to save time.

**Catering/Bufferet** We have our own bar and an extensive buffet menu, with something suitable for all tastes and budgets. We are excited to introduce a new outside catering service where we can deliver directly to you. This could be for a working lunch, business meeting, treat for a colleagues birthday etc, or an afternoon tea party at home! Celebration cakes can also be made to order and delivered. Please ask for menus and more details.

**Afternoon Teas** Our afternoon teas are beautiful and have received rave reviews - we even serve a mini afternoon tea on a cute wooden picnic bench just for the children!

**Dog Walkers/Cyclists** This is perfect for a rest stop if you're out on a dog walk, a leisurely Sunday stroll or half way through a cycling marathon and in need of a sneaky slice of cake!
