The STAR
MULTI ACADEMY TRUST

13 September 2018

Dear Parents & Carers,

Did you know that if you have a child at the school you are automatically a member of the PTA? This is a voluntary organisation with charitable status that exists to support the work of our school. Primarily, this involves raising essential additional funding and organising events that bring the school and community closer together.

The AGM of the PTA is on **Wednesday 3rd October at 7pm**. Everyone is invited to come along and find out what the organisation is all about.

The business of the PTA is managed by a committee which meets 3-4 times during the school year. This year, several of the postholders of the organisation are stepping down and there we will be looking for new people to get involved. Please don't think that if you come along you will get a job! However, if you are interested in the shaping the direction that the PTA takes and are willing to give some time to help support our events there is a real opportunity for you to make a difference.

All schools are facing financial challenges. Quite simply, without an effective PTA we would be unable to offer some of the fantastic things that our school provides. I would urge you to seriously consider giving some time to help us. Not only is it a worthwhile cause but it is also enjoyable and a great way to meet people. Please come along on 3rd October and find out for yourself.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'R. Weights'.

Mr R Weights
Headteacher
