

Monk Fryston Road Safety Partnership

saferoads@monkfryston.net

A group of residents in Monk Fryston have formed 'Monk Fryston Road Safety Partnership' which aims to address the dangers faced by residents walking and driving in the village.

To help us make improvements to our roads, we are kindly asking all households to complete a short survey to tell us about your experiences.

The survey can be completed online at:

<https://leeds.onlinesurveys.ac.uk/residents-survey>

Please only complete one response per household. Many thanks if you have already completed the survey.

The survey will close on 28th February

Please reach out as a community and help those who may not have internet access in order to complete the survey. Alternatively, paper copies of the survey will be available from the 'Crown Inn'

Thank You.
