

Clothing Appeal

Further to last year's appeal (which many of you generously donated to) I am once again taking donations of winter clothes across to St Lukes, Beeston for the Leeds2Iraq Appeal.

If you have any coats, trousers, jumpers, baby clothes, hats, gloves, boots etc (children's and adults) that you would like to contribute to the appeal please bring them into school on Monday 12th October. Please note that I will be taking the clothes on Monday evening so any items after this point will need to go directly to St Lukes. For further information about the appeal (including how you can make and donate a family or expectant mother package) the full details can be found on the Leeds2Iraq Facebook page.

With so many families currently displaced and winter approaching every little helps so thank you in advance for any contributions you are able to give.

Many thanks,

Sally Faulkes.
