Dear Students, Parents', Carers' and Guardians

Late yesterday evening, I received a phone call from Pete Dwyer, North Yorkshire's Corporate Director for Children and Young People Services, notifying me that the proposed amalgamation between Selby High School and Brayton High School would not now be going ahead. This was as a result of Brayton High School governors unexpectedly signing an agreement with Rodillian Multi-Academy Trust yesterday.

I will keep you updated if there are any further developments. Regardless of this turn of events, it goes without saying that we will continue to provide a high quality education for all our students during our journey to becoming an outstanding school.

I would like to take this opportunity to thank you unreservedly for your support during the last term whilst we have been planning for the potential amalgamation. We have been supporting Brayton High School with two of our senior leadership team since the beginning of the year. Both staff members have been withdrawn and have returned to Selby High School.

I hope you have a pleasant Easter break.

Yours sincerely

Paul Eckersley
