The Golden Book

13th May 2016

Reception

Lucy Slokan & James Skipp

James
Max said "James is very careful with everything in the class, he really looks after things." Sonny said "James has really blonde hair and I like it a lot." Seamus said "When I play with James, he is really kind and he helps me when I hurt myself."

Lucy
Charlotte said "Lucy has beautiful big blue eyes." Pippa said "Lucy plays mum and dad with me and she is a really good friend." Mrs Beck said "when we sit on the carpet ready for phonics, Lucy always has all her equipment and is the first to be ready to learn - well done and keep it up!"

Year 1

Willow Backhouse & Ollie Lodge
You have both tried so hard this week with directions. Left and right and using a compass to find north, south, east and west. All very tricky, but Willow and Ollie are Year "1 direction" superstars!!! Keep up the good work!

Sophie Coope
In maths this week we have been doing number bonds to 10 and what a whizz Sophie has been. She has tried hard with great results. Well done Sophie!

Year 2

Taylor Games, Abi Rooney and Charlie Dawson.
What fantastic writing these 3 children have done recently!
Taylor has been using his phonics to blend and has really thought carefully about what he wants to write. He has been reading it back to check it makes sense.
Abi has been using paragraphs in her longer writing again thinking carefully about the vocabulary, sentence types and punctuation she uses to engage the reader.
Charlie has been concentrating on writing longer pieces; he has been thinking carefully about his vocabulary and has used lots of well-chosen adjectives to improve his sentences.
All 3 have shown determination and resilience in their writing, a fantastic attitude to have, well done Taylor, Abi and Charlie!

13.5.16

Year 3

JOSEPH ALDERSON

What a super week you have had Joseph, demonstrating your strengths across the whole curriculum. Joe scored a truly fantastic 40/40 in his maths test this week, followed up with a masterclass in kite making. It is great to see Joseph achieving his academic potential as well as showing excellent personal & social skills, helping others work through a tricky DT task.

EMILIA MILNE

Emilia is also showing great versatility in class, producing outstanding work in maths, literacy and through the foundation subjects. Her confidence has increased dramatically this year and it a pleasure seeing Emilia achieve and contribute in class as she is at present. She has a fabulous attitude towards her work and a real fun, enthusiastic personality.

Well done you two, keep shining!

Year 4

Evie Shepherd

What another fantastic week you have had Evie! You have impressed us with your accuracy when adding fractions and recording answers as mixed fractions. You also wowed us during topic work with your presentation of your Roman sketch - such brilliant use of expression! We especially loved the way in which you considered everyone else in your group too - excellent team working skills! You have also continued to shine in cricket, working with great skill and an outstanding sense of fair play! You approach everything with just the right mix of hard work and fun. You love learning; you rise to every challenge and always with a smile! What a star you are!

Lucy Aldred

Wow Lucy! There is so much for you to be proud of in school, but particularly with your writing recently. When we wrote the story of Romulus and Remus, your ideas flowed beautifully and it was an absolute pleasure to read. You selected relevant adjectives and your use of powerful verbs really stood out. This is fantastic, Lucy. Not only are you showing your commitment to progressing academically, but you are also a very attentive friend to others. You enjoy being with others and you love being creative with your friends. You are a pleasure to have in Year 4.

Year 5

Jonah Hardman, Oliver Darbyshire, Ruby Tonks

Jonah: What a fabulous week you've had Jonah, showing fantastic effort and great work all round. Your maths especially has been amazing, particularly fractions and percentages! We are so pleased with your attitude because you do your best at all times and you have loads of fun too. Superstar!

Oliver: You are such a lovely person to know Oliver because you are so kind, caring and very polite. You have definitely gone up a gear with your school work and we can certainly see the difference. Especially we are impressed with your maths explanations – it's not always easy to explain what to do, but you always think carefully and explain very clearly even the trickiest of problems. Very well done Oliver!

Ruby: What a budding archaeologist you are! You were really interested when we went to the local dig, asking lots of questions, sharing lots of fascinating bits you already know - thank you for showing such enthusiasm and joining in so well. You are such a big part of our lessons too, always ready to contribute, always enthusiastic and smiling! Recently, you have done some excellent writing, really showing off your capabilities! Keep up the good work!

Year 6

EVERYONE IN YEAR 6!!

What can we say? Year 6, what an amazing week you have all had! You have worked tirelessly on your tests and remained resilient throughout. We are all so very proud of how you have coped this week and thrilled that you are all still smiling. You have all certainly looked up and aimed high ☺
