

The Village Tea Room

MONK FRYSTON'S VERY OWN 'POP UP' TEA ROOM!

We are situated within the conservatory of the Monk Fyston Community Centre, currently on Thursdays only, from 10.30am - 2.00pm.

We serve brunch, hot & cold lunches, delicious home made cakes, scones & pastries as well as a selection of teas & coffees. There is a kids "meal deal" and highchairs available, vegetarian & gluten free options, plus we are now serving Yorvale ice cream!

All this is enjoyed in beautifully decorated surroundings, with both indoor & outdoor seating, a friendly atmosphere & all at reasonable prices.

The large outdoor area is gated & secure, so ideal for children, cyclists and dog walkers. We also offer a take-away service, as well as cakes made to order etc.

Please come along and hopefully we can become a place for a morning coffee, to meet friends for lunch, or simply a welcome break after dropping the children at school....or picking them up again!

**We are registered & insured with a 5 star hygiene rating*
