Reception

Everyone in Reception Class

For their amazing behaviour on our seaside trip to Cayton Bay! They were fantastic! Everyone followed instructions, listened beautifully and showed wonderful manners all day! We are so proud of you all. As the youngest children in the school you really did our school and teachers proud. What a wonderful class we have!

Miss Fenton, Mrs Beck and Ms Plunkett

Year 1

Mr Blackwood & Mrs Chorlton and all our grown up helpers would like all Year 1 to go in Golden Book this week. You were absolutely brilliant on the beach at Cayton Bay, building fantastic sand castles and having lots of fun. You were all a real credit to our school at Scarborough Fair, listening really carefully and following instructions. Well done!

Year 2

Everybody! With a special mention to **Dexter Petty**.

Everyone was extremely well behaved on our school visit to Cayton Bay yesterday. Year 2 listened and followed instructions; they were polite and were a real credit to our school. But best of all we had so much fun and it was fantastic to see all of their smiling faces throughout the day.

Dexter, you have been a star in Class 2 this year. You have worked hard, try your best in all of our lessons and always have a smile on your face. Best of all though, Dexter you are a fantastic friend. You are kind and loyal and as we say goodbye to you today we hope you continue to be fantastic in your new school and make lots of new friends as we are sure you will! Thank you for being who you are! Show them what you're capable of and keep working hard!

Year 3

Joe Whiteoak

Joe is a lovely young man with a great attitude towards all aspects of school. He always has a positive contribution to make in class and this week came in for special praise from the year 4 staff on transition day.

Lucy Thornton

Like Joe, Lucy also has a wonderfully positive attitude. This week she demonstrated her incredible maturity by playing a musical solo in front of all the children and parents.

Joseph Alderson

Joseph has had a super couple of weeks academically. He is really taking on board adult feedback in class and we are able to clearly see the improvements in his written work. Joe was also a great friend to our new class member on transition day. Well done everyone.

Year 4

Maddie Thurrell

You approach everything you do with positivity and a smile on your face. You can always be trusted to give your best in anything we ask you to do. We are so proud of all that you have achieved this year. Not only this, you are kind and helpful, always. A real pleasure to have in our class.

Reanna Easter-Brown

Again, you always give 100% effort in all you do! Recently we have really enjoyed watching your confidence grow. You have been taking everything in your stride and rising to challenges with perseverance. You are a real superstar, Reanna.

 Year 5

It is obvious that you work hard, not just before the performance, but week on week in order to achieve your high standard. We love too your confidence and obvious enjoyment.
