

Look  
Fryston

Primary news

# Welcome to Look Fryston

By Amelia Parkin

Welcome to Look Fryston, Monk Fryston's primary newspaper. The newspaper will be published once a term letting you know about important events in and around the school community. We are very happy and excited to have this opportunity. Me and my team are hoping to make it an enjoyable book for an age range from four to eleven.

We wanted to give you a place to have fun and be informed without getting anything else so this is what the newspaper is for. Thank you for reading this newspaper as it has taken a lot of effort and we are glad that you are reading it.

In the making of this newspaper Mr Riley helped us with the name and Mrs Greenwood who let us use the classroom during break. I would also like to thank my team in the making of this newspaper. I would like to say a giant thank you to Mr Weights for letting this actually happen.

## The joke shed

Q: Why did the one handed zombie cross the road?

A: to get to the second hand shop!

# Sports Day 2016

By Amelia Parkin

The 21<sup>st</sup> of June was sports day. This is one of the most competitive days of the year. Everyone had a good time even though some of the leaders had swapped. Luckily, it was sunny all day. The second and first place are as follows:

2<sup>nd</sup> place – Blue team

1<sup>st</sup> place – Black team

Well done to all teams. Let's be more sportarific next year.

## Recommended Clubs

By Amelia Parkin

### Brownies

1<sup>st</sup> Monk Fryston and Hillam Brownies is an amazing place to have fun and make friends. If you are looking for a place to earn something from your hobbies then badges are for you. You along with other girls will celebrate important events on outings or in the church hall.

Girls only. Meet on Friday. Age 7-11

For more information call Marie Parkin (Barn Owl) on:

# Moving On

By Amelia Parkin

This year the Ks2 production was a great hit on both nights. I have some comments from parents and students who came to watch:

"It was fantastic. I loved seeing all the different zones and hearing the songs that went with them. It was just the right length and held my interest throughout."

Mr Robin Parkin

"I loved the bright costumes."

Mrs Marie Parkin

"It was amusing and very well prepared."

Miss Georgia Parkin

Thanks to the Nathan and Morgan (sound team) and to Mrs Tate (The lights team). Also to Mrs Law (Prompter). All the KS2 teachers need to be thanked for preparation of the props and costumes.

## Leaving Teachers

Mrs Edwards

What have you enjoyed most about our school?

Definitely 2 things. Firstly, it has been an absolute privilege to work with so many young people, to help them with their learning and to know you/I have made differences in their lives. Secondly, friendship. Over the years, I have worked with really lovely people. We have lots of fun together and I enjoy being part of a successful team.

What will you miss about our school?

Both of the above. Certainly the children – never a day passes without someone being kind, helpful, funny, successful, challenging (!). No two days are alike and I never wake up and think that I don't want to go to school ! And most definitely school Christmas (especially the singalong).

How long have you been at our school?

Too many years to count ! I am so lucky to have had all this time at our wonderful school.

What has changed since you started ?

Everything ! New school building, 3 head teachers, National Curriculum (lots of changes there !), computers, my job, School Council, Teaching Assistants (there weren't any), teachers, lots of children – I think learning has become much more fun !

What are you  
looking forward  
to ?

Time. When you are a full-time teacher there is  
always so much to do, even in the holidays. I have 3  
grandchildren, lots of hobbies and a large garden so  
I'm sure I'll be busy in a different way !

Thank you for asking

Mr Riley

The people !

During my time at Monk Fryston I have been fortunate to teach some amazing children and work with brilliant staff. Everyone works so hard and there is such a positive attitude towards learning throughout the school.

What have you enjoyed most about our school?

What will you miss about our school?

Same as above. I will miss the positivity and enthusiasm of the children and I have made some really good friends who I hope to keep in touch with.

What is your new job going to be like ?

in a different class and a new environment but I'm sure it will be fun. I am teaching a mixed year 4/5 class so that will be a new experience.

What are you looking forward to ?

Getting stuck in ! I have already visited Ledston to meet the children and staff and I am really eager to start this new adventure. Everyone I have met so far has been kind and welcoming so I am sure I will be well looked after.

Mr Blackwood

I will miss the kids most ! The children here are very special. They are smart, funny and make teaching a lot of fun. The adults are OK too, but the kids are the best.

What will you miss most about Monk Fryston Primary School ?

The kids ! The children there seem pretty good too and I am looking forward to getting to know them. I am also looking forward to being the Head Teacher as it's always fun to try something new and trickv

What are you looking forward to most at your new school ?

I prefer dogs as cats are quite evil.

Do you prefer cats or dogs ?

Pizza

What is your favourite food ?

See

you
