- Review of Chairman's report

Read by committee. Big earners for the PTA were Beer Festival 2014 and SM bonfire.

New events included film night, overall a success with some 'tweaking' required.

Return of quiz night, good return for a single nights work!

Weather sadly let down the summer fayre, but 900 pounds made, and good level of organisation- made the best of the bad British weather!

Library opening was a very proud moment, lasting legacy to efforts over the last 2 years! Future spending to be discussed at committee meeting.

- Treasurer's report

Very healthy year

Balance at start £8862.59credit , Current balance 3320.60, healthy balance, committee agreed little point in maintaining a large balance as purpose is to benefit pupils! Large scale investment in library for benefit of current and future pupils.
