Look Up and Aim High

Year 2

All of Year 2! What a fabulous class. They have worked hard, and put so much effort into their learning. They have all progressed well, and are fully ready for the new challenge of Year 3. Thank you for a great year my little superstars!

Year 3

To all the fantastic children in year 3

What an amazing, fun filled and productive year we have all had. You have all matured in your attitudes towards your learning, your friendships and have achieved so much in all areas of your school life. You have risen to the challenges that have been presented to you and have persevered and supported each other in ways that have made us all so very proud of you. We have loved working with alongside you and sharing so many fantastic experiences. Keep working hard and impressing us in year 4 - you are all absolute superstars!

Year 4

Lennon - Lennon has done some fantastic work in science this week (writing up a chocolate melting experiment). His knowledge, enthusiasm and focus have been fabulous. Keep looking up and aiming high Lennon as you move into Year 5!

Talia - Talia has really impressed us with her poetry writing. Her wonderful vocabulary choices and use of metaphors and similes came together to produce a super piece of poetry. Well done!

Year 5

Year 5 - it has been a thoroughly successful year! We have been so impressed with how much you have grown and matured as a class. You have also made such great progress in your learning, which we are so, so pleased about. Above all, we have enjoyed teaching you all this year and being part of all the learning experiences that we've had. We wish you all the very best for Y6!

Year 6

William, Tom, Ella, Izzy, Charlotte, Abbie, Delia, Niamh, Ruby, and Ashleigh.

WOW!! What an incredible group you are. You have kept up the learning momentum right up to the very end of your time here with us. The enterprise project ideas you completed this week were absolutely amazing. The board games you produced were inspirational; each one different from the rest and all really good fun. In yesterday's 'Dragon's Den' session, the 'dragons' were utterly blown away with your ideas, presentations, costings and business acumen. We are so incredibly proud of the young men and women you have become. We will miss you dearly, but know you are ready for the challenges and exciting adventures that lie ahead in your new schools. Thanks for giving us all so many happy memories to treasure. Keep on looking up and aiming high, Year 6!
