

# The Golden Book

Date: 07.07.17

## Reception

### Seb Williamson

George said "I like playing with Seb because he always plays good games like paper aeroplanes" Then Reuben said "Seb always has good ideas and he lets me join in with him". Oliver said "Seb is kind to everyone in the class because he helps people and he always listens to what needs doing and does it".

### Jess Williams

Mollie said "Jess was really lovely and kind to me when we played a silly game in the classroom". Florence said "Jess lets me play with her all the time and she is my best friend because she is funny". Jessica Leary said "Jess works really hard with her phonics and especially her hand writing".

### Tilly Wells-Thompson

Mya said "Tilly is a really good friend because she listens to my ideas when we are playing. Martha Duncan said "Tilly is kind to everyone in the class because she makes sure that no-one is left out. Evie said "Tilly always makes good choices and listens carefully all the time. She is also really good at her phonics.

## Year 1

All of year one!

Yesterday Year one went to Cannon Hall Farm. They had a fantastic day and learnt so much about the different animals. Farmer Katie was very impressed with how polite everyone was, how carefully they handled the animals, and how much they knew about everything. Well done Year one, you are all superstars!

## Year 2

### **Sophie Coope –**

Sophie has grown up so much this year! She has worked hard in lessons and balanced this with a funny sense of humour and lots of smiles. You are definitely ready for Year 3 and some more adventures, Sophie!

### **Hetty Duncan –**

Hetty has such a positive attitude to her learning! She isn't afraid to try a challenge, and loves to have a go at anything new. Her determination and positivity make me think she will go far in Key Stage 2. Keep looking up and aiming high, Hetty!

### Year 3

Everybody!

We just want to say how thrilled we are with your expert performances during your very first Key Stage 2 production! Even when there were technical problems you carried on like true professionals. We were wowed by your dedication in learning all of your songs and speaking parts. Well done Year 3, what a high standard you have set yourselves for future performances. Tres bien!

### Year 4

**Jessica Turner**

You have shown excellent patience and support to others this week when making the keyrings for our Archie B project.

**Lily Kearton and Evie Hoyland**

Your writing has impressed us this week when we did our pirate stories. You included excellent vocabulary choices throughout and included everything from our success criteria. Just brilliant!

### Year 5

**Arthur** - I have really noticed how hard you are working in class. You have really 'stepped' up a gear by showing how focused and dedicated you are towards your work, including the quality of what you produce. You really are showing that you are ready for Year 6 so keep this up!

**Oliver F** - you really shine as a team leader! During our work on our graphic novels, you have been excellent at leading your team and assigning roles to members within your team. This is a great attribute to have Oliver!

### Year 6

**Everyone in Year 6!**

**Well done to everyone for coping with the big changes to the class this week. We are all proud of how you have adapted to the new arrangements and the enthusiasm you have shown for your learning. You all made a super job of your pop art self-portraits and have produced accurate and detailed timelines of the Victorian Era. Keep up the super focus, Year 6!**
