

# The Golden Book

Date: 20th October 2017

## Year 1

**Mya Mitchell**

Mya is a ray of cheery sunshine in year one. She is always smiling and making everyone happy with her jokes and singing. This week she has worked really hard on her writing, making sure that she has used a capital letter and full stop in every sentence. Fantastic effort Mya, keep it up.

**Florence Hall**

Florence is such a good friend. She looks out for others, she is always kind and helpful, and she plays fantastic games. This week, she has also impressed Mrs Chorlton in her phonics lessons. She has worked hard, listened carefully and smiled the whole time. Well done Florence, you should be so proud of yourself!

## Year 2

**Hugh Wilson**

Hugh you have really impressed me this week with the way in which you have listened and focused on your learning. You have done some fabulous letter writing and your determination in maths has been amazing. Well done, Hugh. Keep up the good work!

**James Skipp**

Your letter writing was wonderful this week. You looked at the feedback you had been given on your draft and used this to improve your work when writing up the final piece. I am really pleased with your focus and attitude to learning. Well done, James. Super work!

## Year 3

### William Milne

William, you continue to impress us with your commitment to your learning! You always make excellent contributions during collaborative class work. You challenge yourself to think deeply within problem solving and your ideas are inspiring! Also, this week, your dedication to your story writing has been amazing! You have even chosen to stay in at break time to continue your writing and we absolutely love this enthusiasm! Stay as you are – committed, looking up and aiming high!

### Hetty Duncan

Hetty, you have a wonderful attitude to your learning - a 'super-star starter' always ready to learn! Your fantastic focus means you are always well-prepared to take on each new challenge. We have been really impressed with the way in which you have been tackling problem solving with larger numbers – even choosing to stay in at break time to discuss your working! You are so polite and helpful to all around you and we love your sense of fairness too! Keep shining and aiming high!

### Harrison Turner

You have impressed us with your determination to challenge yourself within your learning, Harrison! We love this positive 'can do' attitude. You are approaching mental maths work with such enthusiasm and explaining your working carefully using the relevant mathematical vocabulary. Also, this week, you have worked with great creativity on your story writing and have given such thoughtful responses in RE. Keep up this fantastic attitude and aiming high, Harrison!

## Year 4

### Libby Fenning and Scarlett Leighton

You both impressed me so much when we did paired work for our topic lesson yesterday. You were asked to create a persuasive advert to highlight all the wonderful features of Egypt. You worked beautifully together to include images, a rhetorical question, adjectives and much more. These were cleverly crafted into an excellent finished piece of work! I loved your teamwork spirit and your focus throughout. A great example of how working together helps us achieve great things and this was evident in your proud faces when we printed your work. Well done!

### Zack Wright

You should feel proud of all you have achieved this week. You have shown how careful focus and hard work pay off. I am delighted with the way you have approached your learning with a 'can do' attitude and have just got on with completing every task you have been asked to do and given your best. You produced a super advert for Egypt and you are responding really well to feedback in your written work. Keep doing more of the same, Zack.

## Year 5

### **Ella Slokan**

Ella - what great progress you have made so far this term in all your learning, particularly in your reading, writing and maths! You have been really focused and dedicated in class, always being ready to learn, which as a result has had a positive impact in your work. Keep 'looking up and aiming high' after half term Ella!

### **Connie Mitchell**

Connie - everyone needs a Connie in their class! You are super organised, super focused, and above all, super dedicated to your learning. You're always ready to act upon advice as a means of improving the outcomes of your work, particularly in your writing. Thank you for quite simply being 'Connie'.

## Year 6

### **Seb Braithwaite, Charlie Davies, Oliver Griffiths and Arthur Lazenby**

**Seb and Charlie** - you have worked incredibly hard this week to produce a sensational presentation about Victorian food. You researched thoroughly, using your time efficiently and working collaboratively throughout. Your deep understanding of the subject was obvious throughout and the range of resources you produced was very impressive - including the 'delicious' gruel you treated us to. (Mrs Alderson will also be very proud of your use of Google Forms for your class quiz!) WOW, boys - keep it up!

**Ollie and Arthur** - boys, you both presented your work without your respective partners. This didn't deter you, though. You gave full and interesting presentations about Victorian Transport and Explorers. Your confident delivery of the facts and answering of questions showed you really understand your subject matter. Thank you for helping us to learn more about these interesting aspects of the Victorian era. What great role models you are, demonstrating great resilience and positivity. Excellent!

# Golden Table

The children named below have been nominated by the Midday Supervisors for their outstanding behaviour at lunchtimes this week. Well done to all of you!

20<sup>th</sup> October 2017

Jessica Leary - Y1

Robyn Beaumont - Y1
