

The Golden Book

Date: 13th October 2017

Year 1

Noah Fox

Noah has had a fantastic start to year one. He is working so hard in all his lessons, and Mrs Walsh is really impressed with how he never gives up, even when things get tricky. This week he wrote super sentences about our trip to Bert's Barrow. Well done Noah, keep it up!

Leo Whiteoak

Leo is an amazing writer! He really tries to stretch himself in every lesson, by using exciting words and good punctuation. Mrs Walsh really liked his writing about our pumpkins. Leo said his pumpkin was "massive". Well done Leo, keep aiming high!

Year 2

Romy Wood

Romy is a kind and helpful member of our class. She loves to help others and is well suited to her class responsibility of ICT Monitor as she likes to support others in any way she can. Romy always has a smile and a kind comment for anyone who needs it. She's a delight to have in our class!

Gabriela Gil Taylor

Gabriela is a super listener. She always follows instructions the first time, and knows just what to do. Gabriela works hard in lesson time, and is a good friend to others at playtime – a superstar in the classroom and on the playground! Keep looking up and aiming high, Gabriela!

Year 3

William Johnson

You are always ready to learn, William. You are so keen to have a go at every challenge and you continue to impress us with your fantastic focus and careful listening! We love the way in which you have been persevering with problem solving tasks in maths in order to reason and explain. This week, your application of the part-part model and bar model to solve addition problems has been superb. Keep being the star you are and aiming high, William!

Olivia Davies

You are an absolute delight to have in Year 3 with your calm, caring manner and your willingness to help everyone around you. You are enthusiastic, organised and focused. Your readiness for learning right across the curriculum is inspiring to others! Your contributions within our mental maths work have been superb, Olivia. You explain strategies for working clearly whilst taking care to use the correct mathematical vocabulary. Stay as you are – looking up and aiming high!

Alfie Brewster

Alfie, you have absolutely shone with your super focus during our poetry writing this week. Your ideas for description and careful vocabulary choices were amazing. Thank you for sharing your ideas with the class – your enthusiasm for your poetry writing was awesome and we love it! You have produced a fabulous acrostic poem about Autumn which you very kindly presented to everyone too. Keep up this wonderful attitude, Alfie!

Year 4

Libby Bailey

You have had a brilliant week! Your story about The Minpins was so carefully thought about - your language choices were fantastic. All of your efforts are paying off. You are also a good friend to everyone and a very helpful member of the class.

Tom Hale

Your participation in class discussion is super! You are always actively listening and ready to offer your thoughts and opinions. You have great insight into the topics we cover and show enthusiasm for your learning. This doesn't stop in school though - your home learning this week was excellent where you went above and beyond showing your love of the Ancient Egyptian topic. Thank you for being a good role model.

Year 5

Jacob Sugden

Jacob - we are extremely impressed with how organised you are in class! Your table/space is always super tidy. You are also setting high standards of behaviour and focus to learning and being an all round excellent role model. Thank you Jacob!

Talia Kanaa

Talia - you are super focused in your learning in class and excellent at maintaining that focus. We are also impressed at how ready you are at all times to learn and also showing high standards of behaviour. Great work Talia!

Year 6

Noah Davies, Megan Dunnill and Seth Gardner

Noah - you are a joy to have in the class. Your positive attitude and good organisational skills give you an excellent start to your learning. You are eager to be your best and always on task. This week, you have shown your higher-level thinking skills; pushing your learning forward by probing further into the subject matter. Your contributions to our science lessons have been fantastic. Thank you, Noah - we love it!

Megan - what a super role model you are! You understand why you come to school and give 100% to all tasks. You show great pride in your work, considering not only content, but presentation too. You work well independently, but also contribute greatly to team tasks. This week, your group treated the class to a science puppet show, which not only entertained, but also demonstrated your understanding of the topic. Stay as you are, Megs!

Seth - you too focus well on your work. You work hard to fulfil all the success criteria of your tasks and are not happy until you have given your very best. What an amazing attitude to learning! You are a kind, considerate member of the class - always willing to help wherever possible. This week, you showed what a great working partner you are - keep this up, Seth.

Golden Table

The children named below have been nominated by the Midday Supervisors for their outstanding behaviour at lunchtimes this week. Well done to all of you!

13th October 2017
