

The Golden Book

Date: 17th November 2017

Year 1

All of Year 1

Well done year 1! Yesterday you competed in your first sports competition against other schools, and you were amazing. None of you had ever taken part in a cross country race before, but you were all enthusiastic and supportive of each other. Mrs Chorlton and Mrs Walsh were so impressed with how you all tried your best, and kept going even when you ran out of puff. You represented the school as true sportsmen and we are very proud of you. Well done everyone!

Year 2

William Southcott

You impressed me this week in English. You persevered with your character description of Woody from Toy Story and tried really hard to improve your work. Super!

Charlotte O'Leary-Rudge

Charlotte you are always so helpful in class. You always do whatever is asked of you and try your very best. I love your enthusiasm! Keep up the good work!

Year 3

Bryony Taylor

You continue to shine with your 'if you can dream it, you can do it' attitude to your learning! You also make our classroom shine with your wonderful smile and you aim to make everyone around you feel happy! You are hard working, kind and caring; always thinking of others. We have been really impressed with your clay pot design which was so successful that you even became a pottery design mentor! Keep aiming for the stars Bryony!

Francesca Cartwright

You have super focus, you are a 'super starter' and you are quite simply a super star! You continue to give very thoughtful contributions during discussion tasks. You have amazed us yet again with your wonderful ideas for poetry writing. Your brilliant use of simile and stunning adjectives has inspired and wowed us all! Keep shining just like the firefly in your poem, Francesca!

Leo Judge

Your focus in learning has been awesome! You really have been wowing us in so many areas, Leo. You have persevered in poetry writing to create a fantastic fireworks poem using a great range of adjectives. You have also been making excellent connections in your maths learning when looking at the position and movement of 2D shapes through quarter and half turns and when solving 3D shape riddles. This is brilliant, Leo. Keep looking up and aiming high!

Year 4

Sammy Parkin

You have really stepped your learning up a gear recently - you have put so much effort into improving your writing each day and this is really showing through. You are such a kind and considerate person, Sammy; you always wear a smile on your face. Your 'random acts of kindness' this week haven't gone unnoticed. Thank you for being you.

Milly Force

You are an art superstar! You have really impressed us this week when we sketched Arctic landscapes. You put such a lot of effort into perfecting the blending techniques and didn't give up until it was 'just right'. You have also been very helpful around the classroom; offering to do extra to benefit the whole class - exactly the Christian values we are proud of in our school.

Year 5

Evie Hoyland

Evie - we have really noticed how hard you are working in ALL your learning. You are showing great determination in being able to master all the learning objectives, especially in your maths. Being ready at all times is also a fantastic attribute that you have as well as following instructions accurately and listening carefully. Thank you Evie for all your efforts - keep aiming high!

Freya Gatenby

Everyone needs a Freya in their class! Following instructions, acting on instructions, determination, being polite...the list could go on! All your attributes make you, you and it's a real pleasure to have you in our class. Also, a big 'thank you' for being so reliable, particularly when you come in on a morning to help Miss Dales as well as helping with Choir.

Year 6

Arthur Lazenby, Freya Green and Noah Davies

Thank you all for your positive, bubbly outlook and super attitude to learning. You can all be relied on to give your very best to every task, resulting in a good amount of high-quality work.

You are continually focused, offer valuable contributions to class discussions and make excellent working partners to your classmates. You all add an extra bit of sparkle to our class - thank you all - keep shining!

Golden Table

The children named below have been nominated by the Midday Supervisors for their outstanding behaviour at lunchtimes this week. Well done to all of you!

17th November 2017

Connie Johnson - YR

Holly Southcott - YR

Jacob Brewster - Y1

Amelia Herrington - Y1

Hugh Wilson - Y2

Poppy Wood - Y2

Hamish Lambeth - Y3

Sophie Coope - Y3

Ethan Maddock - Y4

Chloe Stonell - Y4

Charlie Tucker - Y5

Mia Lickley - Y5

Joseph Alderson - Y5

Joseph Hoyland - Y6
