Alan Belhadi

Alan is in the Golden Book this week because he has worked really hard at everything. He has tried especially hard with his writing and has a positive attitude to all we do. Mrs Woodfine says Alan is always smiling! Annabelle says 'I like playing police officers with Alan and writing sticky notes and labels'.

Mrs Plunkett says 'Alan is a superstar because he has listened really well and tried his best and made such good choices'.

Talullah Mawson

Talullah has had a super week. She has been involved in everything and has been trying new things especially at dinnertime. Mrs Woodfine has enjoyed finding out things outside with Talullah. Lola said 'We made a slippery slope for the Evil Pea so that he can fall over and I liked playing this with Talullah'.

David says 'Talullah has been making good choices and being brave trying new things'.

Year 1

Robyn Beaumont

Robyn is such a delight to have in year one. She is always smiling, and is such a good friend to everyone. Robyn will always help others, and never gives up, even when she finds it tricky. This week she has really challenged herself to improve her writing. She has worked extremely hard, and even rewritten her work to improve it. Well done Robyn, you are a superstar!

Eddie Cockayne

Year 1 are learning all about Polar explorers, and in particular Ernest Shackleton. Eddie has been so enthusiastic about the topic that he has done some extra learning at home, and is now our class expert. He knows lots of fantastic facts and loves to find out more. Mrs Walsh has been so impressed with his knowledge and understanding of the topic, and especially how he shares his work with others. Keep aiming high Eddie!

Year 2

Your focus and enthusiasm this week for all your learning has been simply fantastic. I am very impressed with the way you have applied yourself in class, participated in class discussion, shared ideas and given every lesson 100%.

Keep up the good work, Seamus!

Year 3

Patrick Johnston

Patrick, we have been so pleased with the effort you have been putting in at our class swimming lessons. You are working hard to further improve your strokes, and this week your back crawl was terrific, we saw you powering through the water at great speed! We think you should feel really proud of your achievements. You have also worked with super determination during problem solving in maths this week. Keep Looking up and Aiming High - in all that you do!

Tayla Finlay

Taylor, we just love having you in our class. We think that your wonderful smile brightens up each day. This week we have been particularly impressed with your editing skills during our independent writing. You have been able to identify missing punctuation and add in adverbs and adjectives in order to make your writing more interesting for the reader. You have also shown great empathy towards the character Mimi and made fantastic contributions to our class discussion. Well done Taylor, keep up this super attitude!

Year 4

Chloe Stonell

You have really stepped your writing up a gear recently and are impressing us on a daily basis! We have been working on 'improving our sentences' in different ways and you have shown that careful thought and having high standards pay off and really help improve the quality of your writing. Keep on looking up and aiming high, Chloe - you should feel proud.

Daniel Judge

You always work hard, Dan and can be relied upon to work cohesively with others. You have such a kind and caring nature; always considerate of others. We value this about you and feel proud to have you in our class. This week, you have impressed us when working with fractions which can be tricky to understand, but you have persevered and completed all activities with careful attention.

Jack Hex

You always have a smile on your face and a positive attitude towards everything you do. This really does make it an absolute pleasure to have you in our class. This week, you have impressed us with your use of adverbial openers in our Jack and the Beanstalk story. Keep up the excellent work.

Xander - you have worked incredibly hard this week on your 'Creation' poem. Making sure to include all the success criteria, you have produced a super 'image' for your reader. This is all down to your focus and determination to be your best. Keep it up - it's fab!

Freddie - we are thrilled to hear you are enjoying your maths! You always give 100% focus and power through the tasks - even when they prove challenging. This week, you have worked really hard on finding fractions of amounts and comparing percentages. You have also performed well in your first set of practice SATs papers - very well done!
