

The Golden Book

Date: 9th February 2018

Reception

David Molife

David had a brilliant outfit for Superhero party day. He had made his Wolverine outfit at home out of cardboard and his Mum had painted his face. He looked fantastic!

Mrs Hind says 'David works really hard in class and also practices his writing and his phonics at home every week'. His phonics book is so neat. Keep up the good work, David.

Connie Earless

Mrs Woodfine says 'Connie's work is always neat and careful'. Mrs Hind likes the way Connie works on her tricky words at home and she practices all her phonics too. She also made her costume for Superhero Day and came as 'Unicorn Girl'. Mrs Plunkett thought this was a very creative and original idea.

Connie J says 'I like Connie's writing and drawing as she is so careful'. Tyler says 'Connie is very polite too'.

Year 1

Martha Duncan, Mollie Turner and Scarlet Smith

Year 1 are so lucky to have this fantastic trio. They are all so kind and thoughtful, and every day they arrive at school smiling and full of enthusiasm.

This week they have all worked really hard to improve their writing. They have listened carefully, used their phonics and written a super story about SuperFox. Mrs Walsh really liked how Scarlet tried hard to use exciting words in her sentences. Mrs Chorlton was really impressed that Martha never gave up, even when she had to go back and change something, and everyone thought that Mollie had really improved her handwriting.

Well done girls, you are always amazing , but this week you have been outstanding in your effort and enthusiasm. Keep aiming high!

Year 2

Mia Tagg

I have noticed how hard you have been trying to improve and perfect your handwriting skills. It has been lovely to see this during handwriting practice, but also when we have been writing during other lessons - even when there are lots of other things to remember to do too! Well done and keep up the great work, Mia!

Phoebe Lyth

We have been doing descriptive writing this week - using a film clip called 'The Lighthouse' as inspiration. Part of this work has looked at how we can make careful vocabulary choices to bring our writing to life and hook the reader in. You have really impressed me with your ideas and your writing has been fabulous. Well done!

Year 3

Josh Lodge and Max Davies

Josh, we have been so impressed with your explanations of different scientific concepts. You clearly love your scientific learning and you are applying your understanding to answer different questions. Also, this week we have been super impressed by your explanation of how to find an equivalent fraction in maths. Brilliant Josh - keep aiming high!

Max, your efforts in your writing tasks have been tremendous. You have structured an excellent non-chronological report about different rock types. You included lots of information in your carefully structured sentences. Your handwriting and presentation were superb too. You have also impressed us with your imaginative ideas in our dragon writing and your fabulous illustration of the dragon character. Fantastic Max - keep up this super focus!

Year 4

Max Verney

You have really impressed us this week with your writing! We have worked really hard on creating effective sentences. You have made some excellent vocabulary choices that have resulted in wonderfully descriptive sentences. Not only this, you are a pleasure to have in our class each day because you are such a kind and considerate person who always acts with care for others.

Phoenix Pickles

You always give your best in each and every activity you do. You are conscientious and very hard working. This week you have worked tirelessly on your writing for 'Sky Song' to perfect your sentences on the whiteboard and ensure that each word choice is the best that it can be! You are focused and determined and a great friend to everyone. Thank you for being simply wonderful.

Year 5

No Golden Book today for year 5 as they are at Sherburn High School for a Modern Foreign Language day.

Year 6

EVERYONE!!!

Year 6, we are SO very proud of you all for the wonderful way in which you represented Monk Fryston this week during our trip to London. You were all superb ambassadors for our school, demonstrating all our school values so very well. Whether it was inside the Houses of Parliament, interviewing Nigel Adams, walking around the streets of London or enjoying the ride on the London Eye, you were all amazing!! Thank you for making the day such a huge success and so very enjoyable.

Golden Table

The children named below have been nominated by the Midday Supervisors for their outstanding behaviour at lunchtimes this week. Well done to all of you!
