

The Golden Book

Date: 2nd March 2018

Reception

Callie Young

When the duck eggs were delivered the class decided that there had to be some instructions for everyone to follow. Callie wrote a set of instructions to put next to the incubator in order to keep the eggs safe. She used her phonic knowledge to help her and numbered them and could read them to others. Well done Callie! Keep up the writing.

George Davies

George took up the Rainbow Reading Challenge this week which was to choose a 'real book' at home or a school and have a go at reading it independently. George did this at home and his Mum filmed it and put it on Tapestry for everyone to see. Well done George you always have a go at all the challenges and have really grown in confidence this term
