

# The Golden Book

Date: 16th March 2018

## Reception

### Niall Johnson

Niall has a very positive attitude to everything he does. He has lots of very creative ideas, he always helps others, he makes great choices and he always 'aims high'. Well done, Niall, we love having you in the class as you make great contributions every day.

### Jessica Squires

Jessica has been trying really hard with her phonics this week. She has been listening carefully to instructions and trying hard to sound out words. Mrs Woodfine says 'Fantastic effort, Jessica, keep up the good work!'

## Year 1

### All of Year 1

What a fantastic day we had yesterday at The Deep. We saw so many amazing things, including divers cleaning the tank windows, and huge fish and sharks! We learnt lots of new facts about Polar animals in our workshop, and found out how big the nose of a stingray is. Well done year 1 for being so well behaved and enthusiastic all day. You are amazing!

## Year 2

### Phoebe Lyth

I asked you to be a buddy for Olivia when she started in our class recently and you have done a fabulous job, Phoebe. You have helped her to settle in, but also given her space to make other new friends. You show great maturity and should be very proud of yourself. Well done!

### Olivia Gothard

Olivia you have settled into your new school and our class really well. I am so pleased to see you at playtime making lots of new friends and joining in. In class, you focus on your work and you put your hand up to answer questions. What a super start! Keep up the good work!

## Year 3

### Hamish Lambeth and Lewis Brown

Hamish, you have impressed this week with your super focus and perseverance during the editing of your story writing. You worked superbly on 're-imagining' a section of your current paragraph to structure three excellent rhetorical question sentences, to convey to the reader the thoughts running through the main character's mind. Your creativity is fantastic Hamish - just keep up this super focus!

Lewis, you have been settling into all the new classroom, lunchtime and playtime routines brilliantly this week. You have been ready for every new challenge in your learning and we have been really impressed with the determination you have shown in completing tasks. You were amazing in swimming too! This is fantastic Lewis!

## Year 4

### All of Year 4!

You were all simply amazing when we visited Murton Park for our Romans' trip yesterday. Despite the cold and wet weather, you gave ALL activities 100% effort and you were so engrossed in the whole day. We were incredibly proud of your attitude to outdoor learning in the toughest of conditions. Each and every one of you truly deserved to be crowned a Roman soldier! Thank you for being a joy to teach - no matter what we are doing - we have fun, we learn and we always aim high. Wonderful!

## Year 5

### Lennon Hall

Lennon, your enthusiasm and focus in Maths this week have been fantastic! You have contributed answers at every opportunity and when you noticed you had made an error with a calculation you simply corrected yourself and learnt from your mistake - this is what learning is all about! Keep up the hard work.

### Emilia Milne

What a pleasure it is to have you in our class! You are ALWAYS ready to learn and put 100% effort into every single activity and lesson. You are polite, conscientious and an all-round superstar who is never without a smile!

## **Year 6**

### **Reanna Easter-Brown and Noah Davies**

It is an absolute pleasure to have you both in Year 6! You have wonderfully positive attitudes to your learning, nothing seems to phase you and you always manage to have a smile on your faces. Keep up this fabulous attitude.

# Golden Table

The children named below have been nominated by the Midday Supervisors for their outstanding behaviour at lunchtimes this week. Well done to all of you!
