

The Golden Book

Date: 20th April 2018

Reception

Lucy Johnston

Lucy always tries her best at everything. She has lots of good ideas, she always helps others, she makes great choices and she always 'Looks up and aims high'. Well done, Lucy, we love having you in the class as you make great contributions every day.

Charlie Hardman

Charlie was the first in the class to tackle the maths challenge this week. He worked independently, thinking for himself. It was tricky to click the cubes together but he persevered and built a super dinosaur. Charlie then went on to write a number sentence about the colours of cubes he had used. Brilliant Charlie! Mrs Hind was very impressed by your positive attitude.

Year 1

Jessica Williams

Wow Jessica, what a fantastic first week back! You have been so ready to listen and learn, and we have been really impressed with your hard work in every lesson. You have also been so kind and thoughtful, even getting Mrs Chorlton a cushion for her back! Well done, keep it up!

Mya Mitchell

Well done Mya for a great week. You have been full of enthusiasm and have kept smiling every day. We really liked how well you have listened to advice on how to improve your writing. You wrote some super sentences about our new story Building Boy, remembering to use your best handwriting, and great word choices. Fantastic effort - keep aiming high!

Eddie Cockayne

Well done Maths superstar! This week you have really aimed high in all our maths lessons. You have listened carefully, worked hard and flown through the activities. You even completed 6 worksheets in one lesson. We really liked how you wanted to help others who were finding it a bit tricky. Keep it up Eddie - what a great start to the new term.

Year 2

Lucy Jamieson

What a fabulous start to the new term, Lucy! You have really impressed me this week with your focus in every subject and great contributions in class discussions. You have also worked hard to keep your work neat, tidy and well presented. Keep up the great work, Lucy!

Hugh Wilson

Hugh you have tried really hard with everything we've done this week. You have put your hand up to answer questions (even the tricky ones) and I think your enthusiasm for learning has been amazing. Being prepared to 'have a go' is really important and this attitude has shone through this week. Keep looking up and aiming high!

Year 3

Hetty Duncan

Hetty you have demonstrated an excellent attitude towards your learning. You have worked exceptionally hard across all subjects and given 100% of your effort. What a fantastic start to the summer term! Well done, Hetty.

William Johnson

William, this week you have come to school smiling, happy and ready to learn- 3 crucial components for school life! What a fantastic first week back- keep up the work ethic and positive mindset.

Year 4

Libby Bailey

You are our writing superstar this week! You wrote an amazing short story about the 'Marshmallows', really carefully considering your vocabulary choices which resulted in a high quality piece of writing. You should feel very proud of your efforts - we are!

Cesca Collins and Maddie Westwick

Thank you for both being a super friend to Layla this week. You have both been so kind and considerate, helping her to feel settled and supported in her new school. You are inspirational role models to everyone as you behold our Christian values in abundance!

Layla Gavaghan

Layla - welcome to our class and school. You have really taken everything in your stride this week and have settled in beautifully. We are so pleased that you have joined us and feel that you are a great asset to our already wonderful team.

Year 5

To all Y5 - it has been a great, hard-working first week back! You've all been working really hard and been engaged in your learning, as well as showing great enthusiasm to our new topic. Here's to a fantastic term ahead!

Year 6

Everyone!!

We are absolutely thrilled with our Year 6s this week. Everyone has come back to school focused on their learning and ready to be their very best. The classroom has been such a positive, industrious place to be and we have had a super week. We have been particularly impressed with everyone's enthusiasm and success in our french lessons - no 'Yorkshire-French' in our class!! We were also extremely proud of how everyone was on task and focused in our science session, where we were trying to build a structure to replicate the human skeleton. Keep it up, Year 6; you are awesome!

Golden Table

The children named below have been nominated by the Midday Supervisors for their outstanding behaviour at lunchtimes this week. Well done to all of you!

20th April 2018

Theo Walls - YR
