

The Golden Book

Date: 11th May 2018

Reception

Tilly Boulter

Tilly is a super member of the class. She is always one of the first to try out a challenge and gets on quietly with tasks without a fuss. She can organise herself and find the resources she needs, if she requires help she will ask. She has a fantastic positive attitude to everything. Well done, Tilly!

William Jackson

William has shown fantastic team work over the last few weeks. Mrs Elcock has been very impressed with the way William has contributed to a group project. William and friends have built a huge boat out of boxes and they have been fantastic scientists testing out different materials to make sure they are waterproof and then finally seeing if the boat floated, which it did! Well done, William, you tackled lots of challenges but worked well with others to solve each problem!

Year 1

Amelia Herrington

What a fantastic week you have had, Amelia! You have really tried your best every day, and still kept smiling. This week Mrs Walsh and Mrs Chorlton have been really impressed with how kind and helpful you have been to others. Without being asked you went and sat with different children, in different lessons, helping them with their writing and science investigations. You also were the first person to offer to play with someone who was alone at playtime. We are so proud of you Amelia - keep being you!

Martha Duncan

Every teacher needs a Martha! She is a ray of sunshine every day, and always arrives at school ready to learn and full of enthusiasm. She is such a good friend to everyone, and gives really good hugs when you need it. This week she has also been a superstar with her writing. She has written some fantastic sentences about The Building Boy, and really listened carefully to the advice on how to improve her work. Well done Marth, you are amazing

Year 2

Year 2

Year 2, you have amazed both Mrs Langan and Mrs Cole with the way in which you have behaved over the last 2 weeks while we have completed our class quizzes.

You have all stayed calm and given every quiz your best effort. It has been fantastic to see you all 'having a go' - even when you found it tricky.

We are both incredibly proud of each and every one of you. Well done!

Year 3

William Milne and Mia Dawson

William, we have been extremely impressed with your overall effort in class. You approach tasks with determination and optimism and you don't shy away from a challenge! We are extremely proud of your efforts, William. Keep this up!

Mia, you have been a superstar learner! You have impressed us with your focus and concentration on tasks as well as the pride you are clearly taking in all your work. This fantastic approach to your learning has shone through in your multiplication work, using arrays as representations and finding whole fact families involving both multiplication and division. Keep aiming high Mia!

Year 4

Joshua Fox

You have really impressed us with your knowledge of decimals this week. You have been very accurate when placing decimal numbers on a numberline and you obviously understand the place value of tenths and hundredths. Brilliant work - you are a Maths superstar!

Scarlett Leighton

You give everything 100% in every piece of work, whether it be P.E or writing, Art or Maths - you are fully committed to being the best that you can be. We can't ask for more than that. A superb attitude towards learning. Thank you.

Year 5

Georgia McGill

Georgia-you really impress me with how focused and dedicated you are to your learning. You go to great depths, particularly in your writing, to include great detail and a high level of vocabulary, helping the reader to gain a clear picture of what's going on. I've been particularly impressed with the story you wrote about 'The Zoo'. I can see style and flare coming through in your writing, showing you are Y6 ready. Keep this going Georgia and keep aiming high!

Charlie Tucker

Charlie-you really have a great, positive attitude towards all that you do in class. Your energy and enthusiasm in everything that we learn about is wonderful to see. You're also very engaged in whole class and partner discussion where you always share some great ideas and thoughts. Keep up this effort and enthusiasm!

Year 6

Sam Stonell and Lenny Fenning

Sam - you are on fire these days! What a great week - you have worked incredibly hard and with super focus on your balanced argument about voting. You have made sure to include all the success criteria and presented your work beautifully. In PE, you have shown super teamwork and fielding skills. Keep this up, Sam and you will leave us at your very best.

Lenny - it is such a pleasure to welcome you back into Year 6. You have eased back into our routines seamlessly and worked super-hard this week. You are a delight to have in school; so polite, friendly and a super role model to us all. Stay just as you are and you will achieve your very best. Thank you, Lenny.

Golden Table

The children named below have been nominated by the Midday Supervisors for their outstanding behaviour at lunchtimes this week. Well done to all of you!

11th May 2018

Holly Southcott - Rec

Lily Stone - Rec
