

The Golden Book

Date: 25th May 2018

Reception

Reception class you did Monk Fryston School proud on your first ever school trip to Eureka! Visitors and staff mentioned how polite and helpful you were. You explored the museum with such curiosity and excitement. You have also completed fantastic recounts to tell others all about the wonderful things that you did. We are so proud of you all! Well done team Reception!

Year 1

Jessica Leary

What a fantastic week you have had Jessica! You have been so enthusiastic and ready to learn every day, and you have impressed us with your positive attitude and determination to succeed. Your writing has also been amazing! You wrote a super version of the story Pigeon Impossible, using your best handwriting and some great vocabulary. Well done Jessica, keep it up.

Hattie Wells-Thompson and Seb Williamson

Hattie and Seb, you are the year 1 "always" children. You *always* work hard, you *always* try your best, you *always* help to tidy up, and you are *always* kind and helpful. The two of you really show us every day the best that you can be-remember to *always* be yourself and *to* keep aiming high!

Year 2

Charlotte O'Leary-Rudge

Charlotte has a super attitude, both to her learning and to other pupils. She is keen to make a start on her work, and takes pride in what does. She likes to be correct, and has great presentation. Charlotte is very organised and likes to help other children with this. Keep it up, Charlotte!

Gabriella Verney

Gabriella is a kind and friendly member of our class. She is focussed and is always on task. Gabriella doesn't let things distract her and gets on with whatever she's been asked to do! She is always smiling and ready to help a friend. Well done, Gabriella!

Year 3

Year 3, well done for positively representing our school during our visit to Magna Science Adventure! It was wonderful to hear the Magna staff mention how well-mannered and polite you were, taking your time to hold doors open for them as you explored the pavilions. We were all really impressed by all the excellent questions and ideas you contributed during our Mighty Magnets workshop too! Thank you for a fantastic visit!

Year 4

Jack Hex

You show us such a positive attitude towards all of your learning, Jack. We have been particularly impressed with you in recent weeks as we prepared for our summer term assessments. You really gave it your all and this hard work paid off. Not only this, you have been proactive in caring for our classroom environment and help to make it a lovely place to be every day. Thank you.

Daniel Judge and Zack Lowe

You have both shone like absolute superstars in many ways this week. But you particularly impressed us in P.E. The skill, determination and teamwork that you displayed in our rounders lesson on Wednesday was outstanding! It is wonderful to celebrate success in such a range of subjects in the Curriculum, as you boys demonstrate fully. Well done boys!

Year 5

Year 5

What a FANTASTIC trip we had on Wednesday to *Countryside Live* at Ledston. You all behaved impeccably and represented our school so well. It was an animal-packed day of learning and you treated all the animals with great love and care. The weather also helped to make our day so great. It was a truly memorable trip so thank you to all of you for making it work so well and for getting stuck into the learning.

Year 6

EVERYONE!!

We would like to tell everyone just how fabulous our Year 6s are! They coped so well last week in their SATs. Every day, they came into school with a huge smile on their face, ready to be their best. And they were!!

We are so proud of how you tackled the tests and how you made it a really enjoyable, positive week.

Not only this, but you have all worked incredibly hard on your writing this week in preparation for the end-of-year assessments. We are confident that the results will reflect all the hard work you have put into your writing.

A special mention to **Evie Shepherd** and **Lenny Fenning** for their awesome fielding skills in rounders. What a fabulous backstop/first-base team you made!!! WOW!!

Golden Table

The children named below have been nominated by the Midday Supervisors for their outstanding behaviour at lunchtimes this week. Well done to all of you!

25th May 2018
