

The Golden Book

Date: 15th June 2018

Reception

William Lyth

William has a head full of knowledge which he is happy to share with others. He told the class lots about London on Erasmus Day. He is also very kind and loves to help others in the class. He is always willing to have a go at everything. Well done William, you are a star!

Elsie Wood

Elsie has had a fantastic week! She has tried school dinners for the first time. She also took part in the Circus Show and showed lots of confidence. She has been joining in singing all the songs for our assembly and generally been getting involved with everything. Well done Elsie, we are very proud of you!

Ava Crick

Ava took part in the Circus Show this week. She decided that she would like to do something on her own instead of in a group. She was very confident showing her gymnastics ability to all of Year 1. Ava has lots of really good creative ideas which she gets others involved in. You are a fantastic member of the class, Ava!

Year 1

Chloe Fawcett and Jessica Williams

Well done girls for being sport superstars this week. You really impressed Mr Dunnill with your effort and enthusiasm in multi skills. You both tried your best and were excellent role models to the rest of the class. You also supported the rest of your team and encouraged them to do their best too. Fantastic work girls, keep it up!

Leo Whiteoak and Scarlet Smith

Here are two super writers! This week they have both worked hard to write about the famous engineer Isambard Kingdom Brunel. They listened carefully to all the facts and then used great vocabulary to record it in their books. They also made sure that their writing was neat and joined all the way through. Well done both of you.

Year 2

James Skipp

James has shown great passion with his English work this week! He has listened carefully, and joined in well with his own ideas. I was particularly pleased when he was so keen to finish his writing that he asked to stay in at playtime! We found the time in lesson time but this shows James' enthusiasm for his learning. Keep aiming high, James!

Seamus McGuill

Seamus is a very helpful member of our class. He likes to do jobs and be purposeful. He is happy to help others and likes clear direction. Seamus has a new classroom responsibility and he has taken it very seriously, making sure he is organised and ready for action! Thank you, Seamus!

Year 3

Marissa Braithwaite

Marissa, you have really impressed us in Maths, this week! You have made outstanding progress in lessons and demonstrated a sound understanding of perimeter. Well done, keep up the hard work!

Zach Williamson

Zach, you have shown super concentration when learning new techniques in Athletics and you have also been a fantastic team player! We have also been impressed with your enthusiasm and skill in our times tables maths work. This is wonderful Zach - keep aiming high!

Year 4

The whole class! We thoroughly enjoyed our trip to York's Chocolate Story on Wednesday. We particularly enjoyed being Mayan's for a short time; involving pouring a special chocolate drink from a great height! It was fabulous to see everyone's team spirit shining through. Thank you for representing our school so well.

Year 5

Amelie Cathcart

Amelie - wow, what a budding actress you are! We are so impressed with your enthusiasm and acting ability in the part you are playing for the KS2 Play. You are working super-hard to ensure your lines are read loudly, expressively and with lots of emotion! You are going to perform your part brilliantly so well done!

Joe Whiteoak

Joe - you too are a budding actor! You are putting lots of energy, enthusiasm and expression into your part for the KS2 Play. I can see that you really enjoy performing not only in acting but also musically as you always put 100% effort into your singing. Well done Joe!

Year 6

EVERYONE!!

We would like to say a huge thank you and well done to everyone in Year 6 for their help in making yesterday's Erasmus Day such a great success. Your research into each of our partner countries was incredibly thorough and resulted in outstanding, informative powerpoints. We are also proud to have received lots of lovely comments from other teachers around school saying how helpful and supportive you were with the younger children. This shows just how thoughtful and considerate you are - keep it up, Year 6.

Also a big well done to the dodgeball team who played superbly and were great ambassadors for our school. Fantastic!!

Golden Table

The children named below have been nominated by the Midday Supervisors for their outstanding behaviour at lunchtimes this week. Well done to all of you!

15th June 2018
