Reception

Year 1

Connie Johnson

Well done Connie for another fantastic week. You are such a good role model to others, and we are lucky to have you in year one. This week we have been really impressed with your positive attitude towards your reading. You are working so hard, and we can see the effort you have made in class. Keep aiming high- you are a superstar!

Annabelle Oldfield

Wow Annabelle, what a great week you have had! You are making great progress with your reading, *and* working really hard with your writing. We have also noticed you working independently on your number work. This week you were able to find one more and one less by yourself. Keep up this great attitude.

Lola Tagg

Lola, you are a delight to have in year one. You are kind and thoughtful and always think of others. Mrs Cole and Mrs Walsh would like to say a big thank you for being such a brilliant help in the classroom. This week you even gave up your playtime to help to tidy up. Keep being you Lola.

Year 2

Evie Kershaw

Evie is a very kind person. She likes to help other people, and is very caring. This week we noticed Evie putting other people before herself, and that was very impressive. Evie's superpower is being kind. Thank you for being so considerate, Evie!

Riley Lee

Riley works hard in school, and always tries his best. He always makes good choices, and sets a good example to others. I am pleased to see Riley enjoying being in school. Riley's superpower is putting in 100% effort! Keep looking up and aiming high!

Year 3

Evan Lowe

Evan, you have worked incredibly hard in Maths this week. You have applied your understanding of addition to some challenging calculations and you showed no signs of giving up; in fact you did the opposite! You demonstrated perseverance and, in doing so, you inspired those working around you. Well done, Evan - you are a marvellous mathematician!

Emily Greveson

Emily, you have wowed us with your excellent vocabulary choices within your story and poetry writing. Your use of simile to deepen the moment in your adventure story was stunning. You have impressed with your ability to generate alliteration within our Autumnal Changes poem theme. We loved your participation in our performance poetry too! You have a wonderful approach to school life – always positive and with a smile for everyone. Keep aiming for the stars, Emily!

Year 4

Isobel Newman

Izzy you always set a super example in terms of your behaviour, your manners, your focus and the care and attention you take in your work. This week has been no exception and it is just wonderful to see. Keep looking up and aiming high, Izzy!

Charlie O'Connor

Charlie you come into the classroom every morning, organised and ready to learn. You are always prepared to have a go at answering questions and to challenge yourself. Not only does this demonstrate what a fantastic role model you are, it shows your determination to always do your very best. Keep up the great work, Charlie!

Year 5

YEAR 5 - The whole class!

We've been so impressed with your attitude to learning this week that, when we thought about who to choose, we couldn't pick just one person! We agreed that EVERYBODY this week has impressed us. You've shown excellent focus in Maths where we have taken addition to the next level. Later in the week, you worked collaboratively to create pirate stories through a game. This worked brilliantly and was so much fun to do! Well done, Year 5. We love your dedication!

Year 6

Charlie Greer and Georgia Raine

Charlie - you are a kind, considerate member of the class and it is a joy to have you in the Year 6 classroom. This week, you have really shown your determination to be your best. You used all the success criteria to produce an excellent rainforest poem. You carefully crafted the piece, which resulted in super imagery for your reader. We are particularly impressed with your writing journey; from the rough notes and thorough editing, to the wonderfully-presented final edition. With this focus, Charlie you will go far. Well done.

Georgia - you too have been on fire this week! Your focus and drive have resulted in super written work. You got straight to work with your poem and the 'thankfulness' prayer in yesterday's collective worship. This prompt start meant you completed the task to a high standard well within the time. Your positivity has shone through this week and you have just been an all-round fab member of the class. Super, Georgia!

Golden Table

The children named below have been nominated by the Midday Supervisors for their outstanding behaviour at lunchtimes this week. Well done to all of you!
