Keep aiming high Lucy!

Year 5

Madeleine Westwick

Madeleine, the reason you are in the golden book this week is to celebrate your incredible attitude. You are always keen to do well and we are so happy to have you in our class. You have been working incredibly hard in your learning this week and are making such great progress. You are also incredibly polite, and your sense of gratitude and appreciation of the small things is clear. It is lovely to get a thank you every day from you as you leave school, so thank you Madeleine!

Joshua Fox and Jack Hex

Ant and Dec, Morcambe and Wise, Laurel and Hardy, eat your heart out. We have a new duo in town. Boys, you were great during your presentation. It was clear you had done a great deal of research and spent time creating your slideshow. You both worked so well together as presenters, you were both confident, clear, and ad libbed when required. The whole class would agree that you could both be on the tv when you are older. A real pair of stars! Well done, it isn't easy to stand up in front of your peers and speak so well.

Also a special mention to those children who tried so hard in their writing this week. We couldn't have them all up but their efforts couldn't go unmentioned. Some children in Year 5 have shown perseverance, determination and huge progress in their writing skills this week. They know who they are and we are incredibly proud!

Year 6

Lennon Hall, Ella Slokan and Georgia Raine

Lennon - what a Year 6 superstar you are! You come to school every day with a huge smile on your face and get our day off to such a positive start. We are so impressed with how you approach each and every task - never being beaten, even by the most challenging problems. This positivity, helpfulness and resilience will set you in good stead for success, Lennon. Stay just as you are!

Ella and Georgia - You two have really powered through your work this week - especially in maths. The long division problems take a lot of concentration and you have both proved your determination to be your best. You have asked for help when needed and put in extra effort to cement your skills. Your progress throughout the week is a much-deserved reward for your efforts. Well done, girls - keep it up.
