

The Golden Book

Date: 15th February 2019

Reception

Anya Howard

Anya is such an enthusiastic member of our class! She loves learning and always tries her best with EVERYTHING she does! She is a good friend to everyone in our class and always makes everyone smile. She is great at work independently and in a team- especially during maths! Anya loves music and singing and she has a wonderful musicality. She is a little ray of sunshine and we love having her in our class!

Seth Wadsworth

Seth loves school! He is always listening and ready to learn. Seth loves Phonics-especially when we sing our phonics songs. He is enjoying sounding out new words and writing them down in Mr Weights' special letters! Seth has become much more confident throughout his time at school and it is showing in everything he does. Keep up the hard work Seth, you are brilliant!

Year 1

India Lambeth

India, you are such a fantastic role model to everyone in year one. In fact you are a fantastic role model to everyone in every class! You are kind and incredibly caring; you help others, and you are a brilliant friend. We really love how you also work hard in class, and never give up, even when it gets a bit tricky. This week you have shown real determination to solve missing number problems in maths. Keep it up India, you are a star.

Ava Crick

This is Ava Crick - super writer. She loves to write, all day long! She writes stories, letters, cards, fact files - in fact anything at all. She uses her best handwriting, checks her punctuation, and thinks carefully about her spellings. She has brilliant ideas, and uses great vocabulary. This is Ava Crick - super writer.

Alan Belhadi

What a super week you have had Alan. You have really worked hard in all lessons and tried your best, especially in maths. We know that everyone at your new school will love you and your cheeky smile. We wish you all the best in your new home too. Take care and keep aiming high!

Year 2

Amelia Herrington

Amelia is a kind little girl who always thinks of others. She is generous and polite, and likes to make other people happy. Amelia's superpower is being kind! She notices when other children might need cheering up, and likes to make them smile. Keep it up, Amelia!

Jacob Brewster

Jacob likes to ask questions! He is interested in everything we do in class, and is actively engaged in his learning. Jacob is curious about the world around him and always wants to know MORE. Jacob's superpower is being inquisitive! Keep asking 'why?' Jacob.

Year 3

Year 3 - you are superstars! You are inquisitive, caring and happy children with a love for school life and you grasp every opportunity with grit and determination. There have been many successes, so far this term, from learning about the Vikings right the way through to swimming. Well done for another fabulous term!

Year 4

Francesca Cartwright

You are a such a considerate, caring and sensitive girl, Francesca. Always kind with your words and actions, you set a super example to others and are a pleasure to have in Year 4. You also show great perseverance in your learning. Our work in maths this week had been tricky, but you have listened carefully and given every lesson 100%. This is exactly the right attitude to have, so keep going!

Harrison Turner

You have tried incredibly hard in maths this week, Harrison. Some of the work we've done has been difficult and there was a lot to remember, but you kept going. Not only does this show great determination, it also demonstrates just how much can be achieved when you listen carefully and put your mind to something. Keep up the great work!

Year 5

Milly Force, Libby Fenning, Sammy Parkin and Oliver Hewitt

What a super Science team! You did a brilliant job, yesterday, when we went outside to investigate the effect of gravity on objects of different weights. You worked cooperatively as a group and did an outstanding job of explaining WHY certain objects fell to the ground at the same time. Your group's results were different to every other group in the class, but you didn't let this put you off. Excellent scientists. We are extremely impressed!

Also - a big 'well done' and congratulations to Milly for getting through to another round in the cross country competition! She will represent our school in the upcoming regional event. You are an excellent sports ambassador for our school. Just brilliant, Milly!

Year 6

Emilia Milne, Joe Alderson and James Faulkes

Emilia - what a super role model you are. You give 100% to all your work - both the content and the presentation. You demonstrate every day that you want to be your best and push yourself to achieve this. This week, you presented your WOW work to the class and made a fantastic job of it. You had researched your topic thoroughly and produced amazing models and information boards to share. Presenting to the class really pushed you out of your comfort zone and we know you would rather not have done it. But, you stood up, took a deep breath and gave the class a really fabulous presentation on Rosa Parks. We hope the feedback you received from your peers showed you how much we all enjoyed and appreciated the huge effort that went into the presentation. Well done, Emilia; we are so proud of the progress you continue to make and hope you are too.

Joe and James - you have both stood out this week for the wonderful support you have offered your table partners. We have noticed that you have helped them when they have found an area of learning difficult. It is a wonderful characteristic to have - you have been patient, kind and explained things clearly. Having the ability to help others with their learning shows that you yourself have understood the topic. What a great skill to be able to 'coach' others and offer your help. Keep it up, boys - we love it!

Golden Table

The children named below have been nominated by the Midday Supervisors for their outstanding behaviour at lunchtimes this week. Well done to all of you!

15th February 2019

William Skipp - R
