

Dear parents

Hillam & Monk Fryston Cricket Club – Junior Cricket Programme 2019

We are delighted to be able to continue to support junior cricket in Monk Fryston and Hillam. Our programme is bigger than ever and we hope that your children will enjoy getting involved.

Children aged 5-8

We are once again running the All Stars cricket programme. This is a national initiative which provides a great introduction to ball skills and basic cricket techniques. It's an 8 week programme and costs £40. Children need to register on the All Stars website and all participants receive a kit bag of equipment.

<https://www.ecb.co.uk/play/all-stars>

Under 9's

We are pleased that we have entered a team in the Wetherby Cricket League this year. This will give us 8 matches against local opposition throughout May and June. Children do not need to register on all stars for the U9 team but please message Rich Milne (07741499037) to register your interest. Cost will be £40 and include match fees, training and a cricket shirt to be worn for matches. Training will be on a Saturday with matches played on a Sunday morning both at 10am.

This is still softball cricket so no protective or specialist equipment is needed.

Note that girls can play up to 2 years above the age group so eligible boys must be in year 4 whilst girls can be up to year 6.

Matches begin on 12 May and training will take place from 4 May although I am trying to arrange a couple of indoor sessions before then if I can find a suitable venue.
