

The Golden Book

Date: 8th March 2019

Reception

Elizabeth Thompson

Elizabeth is a super star! She is always listening, ready to learn and ALWAYS smiling! She is such a kind friend to everyone in our class and tries her best with everything she does. Elizabeth did a fabulous job explaining to the whole class the details of her world book day costume and she even sat on a chair at the front of the class and read the whole book to everybody. She worked really hard on her number study this week and worked independently to find different ways to make 4! Keep up all of your hard work Elizabeth, we love having you in our class.

Oliver Watson

Oliver is trying SO hard with everything! He has come back after the half term with such an enthusiasm for learning. Oliver is really enjoying his maths at the moment and worked hard to think of interesting ways to make 4 and even went on a number hunt in the classroom to find lots of places where the number 4 was written. Oliver has such beautiful writing and is starting to enjoy his writing! He is doing a great job listening carefully to the sounds and writing down the words. Keep it up Oliver, we are all very proud of you!

Year 1

Tyler Bradshaw

What a great week you have had Tyler. You have come back after the half term holiday with even more enthusiasm for your learning, and a determination to challenge yourself. You have worked really hard with Mr Dunnill measuring the distance your paper planes travelled, and started learning how to double 2 and 3 digit numbers using partitioning. Keep up this fantastic effort- you can do it!

Eira Booth

Eira, you are such a superstar. You are so kind and helpful, and you make a great mini teacher supporting others. We have been really impressed this week with the effort you have been making with your writing, and especially your handwriting. You have listened to all our advice and persevered to make it so neat that we think it is better than ours! Keep aiming high Eira.

Isabella Townson

Welcome to Monk Fryston Isabella. We hope you have enjoyed this week as much as we have enjoyed getting to know you. You have settled in so well, and quickly picked up all the new routines. You have already impressed us with your super writing, and we know you are going to continue to impress us all year as we can already see that you are a hard worker and someone who always gives 100% effort. Well done Isabella.

Year 2

Georgia Anderson

Georgia has been working really hard this year! She always has a go at things, and doesn't let anything get in her way. Georgia is resilient, and bounces straight back from any obstacle. Well done, Georgia, you have the superpower of resilience!

Chloe Fawcett

Chloe is a very kind person. She likes to help other people, and is very caring. She is always smiling and happy around school, and is friendly to everyone. Chloe has the superpower of being kind. Thank you for being so considerate, Chloe!

Year 3

Mrs Strathearn would like to say: 'A special thank you to all of Year 3 for being welcoming, happy, helpful and ready to learn in her first week back. What a super class you are!'

Lucy Jamieson

What an enthusiastic first week back you've had Lucy! You've approached our new topic 'Extreme Earth' with gusto, furthering your understanding with your own research into the layers of the Earth. In our investigations into how mountains are formed, you worked well with your team members. You were also able to clearly explain how each experiment represented the different types of mountain. Well done. Keep up this enthusiasm for learning!

Sonny Dudding and Brooke Mallinson – you have been Eco Warrior superstars this week! You represented your class and school superbly during your visit to Harlow Carr. Then, on returning to school, you gave a wonderful presentation to the class about your day. You told us about all the fantastic activities you had been involved in and explained about looking after our planet. You certainly made us think about what we can do to help look after our world. We are so impressed by your enthusiasm and commitment! Just fantastic – well done!

Year 4

Bryony Taylor

You are such a kind, caring, well-mannered and thoughtful member of the class. Every day you come in with a smile, ready to tackle the day ahead. You are always ready to learn and show great determination (even with the tricky stuff). What a super role model! This week, the Archie B poster you designed was simply fantastic. Such neat, careful work with great attention to detail. Fantastic! Be proud of your achievements, Bryony!

Olivia Willetts

A great first week back, Olivia. You have come into class with real focus and determination. This is just the right attitude to have and you have set a super example to others. Your Archie B poster was super! Carefully planned out, very colourful and incredibly neat. Keep up the great work, Olivia!

Willow Backhouse

You have returned to school this week showing great enthusiasm. You have listened carefully in every lesson and given every task 100% effort. You have worked with great care in maths and given detailed thought to the vocabulary choices for your descriptive writing word bank. Better still, you are trying very hard with your handwriting and this has not gone unnoticed. Keep looking up and aiming high, Willow!

Year 5

Grace Armstong and Scarlett Leighton

Grace, you have shown true determination and perseverance during maths this week. You did not give up when you found the work tricky, instead, you kept going! We love to see this resilient attitude in our school as it makes for triumphant learners. You are a delight to have in Year 5, always smiling, always trying hard and also kind to those around you. What a role model you are Grace! Thank you.

Scarlett, You have such a thirst for learning. You try your hardest in everything that is asked of you. You have fresh ideas, and a limitless imagination. Nothing is too big or too small for you. You are always keen to do your very best and encourage others to do the same around you. Thank you for being such an enthusiastic and hard working member of Year 5!

Year 6

EVERYONE!!

This week, everyone in Year 6 has stood out as being amazing!! Everybody has returned from the holiday full of enthusiasm for their learning and raring to go. We were super-impressed with the children's work on line graphs in maths. Everyone has used information to construct and draw accurate line graphs, whilst also answering questions based on the data provided. In French, everyone has given super focus when learning about various items of sports clothing. Well done, Year 6 - this is awesome...and so are you!

Golden Table

The children named below have been nominated by the Midday Supervisors for their outstanding behaviour at lunchtimes this week. Well done to all of you!

8th March 2019
