Holly Bygrave

Holly is an absolute pleasure! She always tries her hardest with everything she does. She has a superpower! She makes everyone around her happy! Holly has such beautiful handwriting and sounds out words and sentences really well when she is writing. Holly now loves maths! She is able to add, take away, double and HALVE! She is an absolute star and we will miss her very much as this is her last day at Monk Fryston School. Good Luck with everything Holly, you are super!

William Hurrell

William is very excited about school at the moment! He is very busy at the moment working indoors and outdoors. He is building water slides and testing materials to go down them, planting seeds in the right conditions to make them grow and creating some numberblocks painting pictures too. William worked really hard this week to write a story with a group of friends- he had the very difficult job of writing the ending! We love your enthusiasm for learning William. Keep it up, you are doing a fantastic job!

Fleur Wainwright

This week Fleur decided to write and write and write and write. Fleur loves writing! From party lists, to letters, to stories- Fleur is always writing somewhere. She has such beautiful writing. She even made an alphabet using sticks in the outdoor area. She really enjoys maths too. She made a wonderful game in the maths area where she made 2 teams and they had a game of football. She had to make sure they had teams with even numbers. Fleur is always happy, friendly, helpful and hard working and we love having her in our class!

We are so proud of you for all of the amazing home learning that has been going on this half term. You have all embraced our new home learning activities and produced some fantastic work about plants. We've seen artwork, investigations, diaries and dances to name just a few. What a delight it was seeing all of your wonderful creations in our show session on Wednesday. We can't wait to see what delights next half term brings. You are working so hard Year 3. Year 5

The whole class! Countryside Live was simply amazing! We made memories to last a lifetime...from the dancing sheep to measuring Mrs Harmer's body length against the body length of a corn snake we had so much fun and learnt so much about the world around us. You represented our school beautifully and fully embraced all of the activities - particularly when we did den building as you showed exactly how fabulous you are at team work! An absolute dream team, Year 5, thank you for making it a day to remember.

Year 6

EVERYONE!!

We are so proud of how everyone dealt with last week's SATs. You all came in every morning with a smile on your face and ready to show off all your learning. You focused throughout each paper and enjoyed the 'down time' too, where you recharged your batteries ahead of the next test. Well done to you all - we were super-impressed.
