Reception

Lexi-Mae Mallinson

Lexi-Mae is one of the hardest working members of our class! She is busy from the moment she steps in the door! She loves learning her phonic sounds at the minute and **all** of the grown ups have noticed how eager she is to learn new sounds. Lexi-Mae is practising recognising her numbers 1-5 and always makes sure her numbers face the right way. We are all incredibly proud of you Lexi-Mae for everything you have achieved so far this year. I wonder what you will show us in this final term in Reception class? What a star you are!

Heidi O'Brien

Heidi is an absolute pleasure to teach! She always gives 100% to everything she does. At the beginning of the year Heidi said 'I hate maths' and in our maths lessons this week she said 'I actually love maths now Mrs Elcock!' She even chose to complete her maths challenge of finding 1 more or less than a number, straight away yesterday! Heidi has the most creative ideas. I'm sure she could think of over 100 uses for a cardboard box! Her writing is absolutely beautiful and she is an expert in Mr Weights' special letters. What a super star Heidi, we love having you in our class!

Darcey Woodhouse

Darcey has grown in confidence as the year has gone on. She is now confidently coming up to the grown-ups in our class to show us all of the wonderful work she completes during choosing time. Darcey loves competition. She really enjoys completing our challenges in class and always tries to achieve the star. Darcey has been working with ordering some really big numbers this week. She has been working out 1 more and less and has been putting them in order. She is also showing off all of her beautiful handwriting. Darcey you are a pleasure to teach. Keep aiming for the stars- you are wonderful!
