

The Golden Book

Date: 21st June 2019

Reception

Zachary Billingham

Zachary always works incredibly hard in our class. He is really enjoying his writing at the moment. This week he was able to write a whole story that had questions, exclamation marks and even the word because in it! Zachary also completed some great number work this week in our number study. He is confident with additions, subtractions, doubling and halving! Zachary is always listening and ready to learn and he is a real pleasure to teach! Keep it up Zachary!

Jemima Reeves

Jemima is working so hard at the moment. She is tackling lots of difficult 'have to' jobs and approaching them with a smile on her face and a can do attitude! Jemima is thinking of some very interesting sentences within her Phonics and able to confidently write them down. She is even able to use some very tricky digraphs! Jemima is enjoying playing lots of maths games in class at the moment and is becoming more confident each day with her teen numbers! Keep up your hard work Jemima, what a superstar!

Year 1

David Molife

Well done David for all your hard work this term. You have been working extra hard on your writing, and have even practised at home! All this extra effort is really paying off, and your handwriting is now so lovely and neat. We are very impressed- keep it up!

Connie Earless

Connie you really follow the principles of our fish philosophy, all the time. Your lovely smile always makes our day, and you choose a fantastic attitude whatever you are doing. You are focused and ready to learn in lessons, and most importantly you have fun! Well done.

Sam Hale

What a great term you are having Sam. You are definitely getting ready for year two. You are focused and listening well in lessons, and you have given every lesson 100% effort. Keep up this positive attitude - we love it!

Year 2

Amelia England

Amelia has been working so hard on her presentation! She is making such a big effort with her handwriting in particular, and this is having a super impact on how her work looks. Amelia has the superpower of producing lovely handwriting!

Oliver Pilkington

Oliver has been following instructions in school! He has been managing his emotions using some of the strategies we have looked at as a class. Oliver has the superpower of controlling his emotions. We are really REALLY proud of your progress, Oliver!

Year 3

EVERYONE!

You have all been amazing in our production rehearsals this week. Your enthusiasm is just fabulous! What a great team effort to learn song lyrics, actions, lines and complicated stage directions. What great stage presence and wonderful singing too. We are so impressed! You audience is in for a real treat next week. Keep shining on that stage like the super stars you are - well done Year 3!

Year 4

Zach Williamson

What a super week! You have listened carefully in every lesson and given everything 100% effort; whether it's perfecting your role for the school production or our work in science. Your reading comprehension homework was fantastic - accurate, neat with detailed responses to questions. It was clear you had worked incredibly hard on it. You've embraced working with lots of different people this week too and taken it all in your stride. Be proud of your achievements, Zach.

Mia Dawson

You've also had a super week, Mia! You've worked hard during our production practice sessions, listening carefully to suggestions made and then building these into your performance. Your reading comprehension homework was also outstanding. You gave clear, detailed, articulate answers and applied all the reading skills we've worked on in class. You are such a kind and caring young lady. It's a pleasure to have you in Year 4. Fabulous work!

Year 5

Cesca Collins and Annie Crick

We have been learning all about life cycles in science and you have both really impressed us with your understanding of some tricky scientific vocabulary - Cesca, you could explain words like embryo and gestation as we completed our human timeline and Annie, you were able to describe the classification of animals to the whole class when we were comparing the life cycles of different types of animals. Not only this, you are both extremely hard working; lesson after lesson, day after day. Thank you for putting 100% effort into all that we do.

Year 6

Gabe Sheppard and Georgia Raine

Gabe - you always approach every day with positivity and enthusiasm. You are a ray of sunshine and contribute so much to the Year 6 classroom and, indeed, the school. You can always be relied on to 'get the job done', whatever the task. You are super-resilient and never give up! What a fabulous role model and ambassador you are! Thank you, Gabe.

Georgia - you have been determined to be your best for some time now. You settle to tasks easier and complete them in the given time. You are now proof-reading and editing all your written work, ensuring it is produced to the highest quality possible. You are making good use of classroom resources and working partners too. Well done, Georgia - you're flying!

Golden Table

The children named below have been nominated by the Midday Supervisors for their outstanding behaviour at lunchtimes this week. Well done to all of you!

21st June 2019
