

The Golden Book

Date: 13th September 2019

Year 1

Ethan Fox

You have had a fantastic start to year 1 Ethan! We have been so impressed with how kind and caring you are. You are such a good friend, and always offer to help if someone is hurt or upset. We really like how you play great games and let everyone join in. Keep up this fantastic attitude, and keep being you!

Olivia Thompson

Olivia, we just love having you in year 1. You are so thoughtful and helpful, and always listen carefully. You don't mind getting messy, and even when you are not feeling great you just get stuck in and have a go. We also love how organised you are, and how you are helping to keep Mrs Walsh organised too! Well done Olivia.

William Hurrell

Well done for a super start to the term William. You have really lived our Fish! Philosophy each day, with your positive attitude, and your fantastic listening skills. You are also having lots of fun learning about countries and continents in our Geography area. We have been very impressed with your knowledge of places in Europe, and how quickly you can find them on a map. Keep aiming high!

Year 2

Connie Earless

Connie you are a super role model. You always try your best, and you are so enthusiastic about learning! You are kind and friendly to other children, and have lots of friends. I am pleased to see you always 'being present' and showing good listening, which is part of our Fish Philosophy! Your superpower is being ready to learn.

Theo Lighten

Well done for a super start Theo! It is only your second week ever at our school, but it is like you have always been here. You have settled in well, made lots of friends, and you always show super behaviour. You love to learn - so you fit in really well with us! Theo your superpower is being friendly.

Year 3

Reuben Shacklady and Seb Williamson

Wow Reuben what an amazing week you have had! You are approaching all your learning in top gear! Your story writing has been fabulous. You are working super hard to deepen the moment and make great vocabulary choices. The presentation of your work has been excellent too. We have also been very impressed with your maths work and your careful explanations as to how you have got to your answers. You have even bowled us over in RE this week with your contributions! You are always present Rueben and so helpful. This is fantastic - keep aiming high!

Seb you have been an excellent role model this week and we are so lucky to have you in Year 3. You have shown fantastic initiative and organisational skills in your collective worship monitor role. You are making sure that our reflection area is kept updated with our current worship theme and we love your enthusiasm to get on with the job. We see this in your learning too Seb where you are focused on giving your best. You are taking great care in the presentation of your work in all areas of learning - writing, maths, topic and art. You really do choose your attitude and you have made our day every day this week. We think this is brilliant Seb - thank you!

This week we'd also like to give a special mention to all the Year 3 children who took part in the multi-skills event. You showed excellent team spirit; working together and cheering on each other. You took on every sport challenge, chose a super attitude and had lots of fun!

Year 4

Brooke Mallinson

Brooke you are a super star! You have shown such enthusiasm and determination this week and it is an absolute pleasure to see. You are always smiling, you are happy to give anything a go and you never stop trying. Your focus in maths has been particularly impressive. Keep being you, Brooke. We are incredibly lucky to have you in our class.

Ella Woodhouse

Ella you have had a fabulous week. We have noticed how you always listen carefully and quickly get tasks completed to a high standard. We have given you some tricky maths challenges to try this week and you have really impressed us! What a super role model!

James Skipp

James, although you haven't felt 100% well this week, you haven't let that stop you. You have worked hard during maths tackling place value problems and still found time to come up with some super vocabulary ideas for the setting description we are working on. Keep up the great work!

Year 5

Izzy Newman and Will Milne

Whilst Year 6 were away at Robinwood, Year 5 were given the task of filling their shoes and taking on extra responsibilities within school. Izzy and Will were given the job of ringing the bell for breaktimes and lunchtimes; and locking and unlocking the school doors and gates. This is obviously a really important job in helping to keep us all safe in school. These two blew us all away with how mature and responsible they proved themselves to be! Are you sure you're not Year 6 already?! Well done, both!

Year 6

All of Year 6!

Year 6 were absolutely fantastic at Robinwood. We had children facing their fears, trying out new things, pushing themselves beyond their comfort zones and lots of smiling, happy faces-even when plunged into freezing cold waters! Everyone showed how well they can work as a team; supporting each other and using excellent communication skills. Year 6 were a credit to our school and to themselves. They received nothing but praise from the Robinwood staff and we are all very proud of you!

Well done Year 6, keep it up for the entire year!!

Golden Table

The children named below have been nominated by the Midday Supervisors for their outstanding behaviour at lunchtimes this week. Well done to all of you!

13th September 2019

Ethan Fox - Y1
