Our schools have been working strongly together for 4 years and operate as one continuous team of staff and governors across two unique sites. We are proud of consistently high achievement, driven by a relentless and passionate determination from our leaders, staff and governors. We are committed to ensuring the best possible standards of care and education for all our pupils so that they continue to flourish.

You will join a leadership team that has consistently been judged to be very effective by both Ofsted and SIAMS, and will help to implement further improvements across both schools. We are driven by achieving "Good people, doing well" which extends to all members of the school community. We have an excellent track record of supporting professional development and career progression, and want all members of our federation to achieve success.

What we are looking for:

- Someone with a heart-felt commitment to making a positive difference to children's lives
- A proven track record of effective leadership and management
- The ability to work both autonomously and as part of a team
- Provision of support and further development of a committed and capable staff team
- Initiative, energy and drive linking with personal ambition
- Someone who can build effective relationships across the whole federation and wider communities
- Someone who will enact our ethos and values
- A proven ability to secure high standards, participation and expectations for all pupils

We will offer:

- A warm, committed and supportive staff team
- Fabulous children and very supportive parents
- A strong partnership within our federation and Trust
- A federation that wants to continue to evolve and improve, while maintaining its high academic performance and its Christian ethos

Visits to the school are welcomes and encouraged. Please contact Mrs Sadie Clubbs – admin@sp.starmat.uk or telephone: 01937 557396 - to arrange a visit.
