A fantastic opportunity has arisen to join the team of our small village primary school. Due to the promotion and relocation of existing members of our team we have two exciting opportunities for experienced or Early Careers Teachers. One of the most rewarding things about working in a very small school is that teachers can gain experience in all year groups. The right candidate will have the energy, commitment and enthusiasm to be a great teacher for our children.

We believe that our children should have a caring, nurturing environment in which to learn and grow. We know them all as individuals and everyone involved in the school is committed to achieving success for them. We work collaboratively across our federation and multi academy trust to ensure that we have a great offer for both children and adults.

We can offer:

- A small, but highly supportive and effective team
- Great children who are kind and eager to learn
- Strong relationships with our parents, local community and federation

We are looking for:

- Talented individuals who are able to work alongside colleagues to inspire young minds, getting the very best out of our children

- Someone who has a real passion for teaching and learning; who has energy, drive, enthusiasm and creativity
- A commitment to equality and inclusion so that all pupils thrive
- A work ethic that is bound by energy, loyalty, passion and integrity

Please contact Mrs Sadie Clubbs – admin@sp.starmat.uk or telephone: 01937 557396 - to arrange a visit.

Closing date: Friday 28th April 2023 at noon.

Interviews: Monday 22nd May 2023

We are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment. This post is subject to an enhanced Disclosure and Barring Service check.
